

Lead Middle School ELA Teacher (single grade between 5-8) at Independence Charter School West (ICS West)

Our Team and School

Who We Are

- ICS West exists to equip and empower global citizens, so that our communities are united. Our students are becoming the leaders who will bring a divided world back together, and as a team, it is our responsibility to give them everything they need to do so.
- We believe that every student, with no exception, can achieve at their highest level, and our Big Goal reflects this - our students who are below grade level will make two years of growth every school year until they are at or above grade level in all subjects. Right now, many of our students are not at this level. Supporting them in getting there is the focus of everything we do as a team.
- We believe deeply in being an open enrollment, neighborhood public school, with the responsibility to meet the needs of every student who enrolls, with no exception. Special education students currently make up 27% of our student population.
- Finally, we believe that being a cohesive team is the way to realize our vision. Building trust with each other enables us to honor the unique perspectives that every team member brings, talk candidly about these perspectives as we commit to decisions, and hold each other accountable for the results our students deserve.

- You will work with your Assistant Principal and our Literacy Specialist to become an expert in ELA, and to continually refine your classroom practices, ensuring that every student is working and thinking at an appropriately rigorous level, all the time.
- As a member of the middle school team, you will collaborate on the creation of our new student support program, moving ICS West from a school that reacts to our students' social and emotional needs, to a school that sees our students and adults as part of the same team, with a comprehensive system of social and emotional supports for all team members, driven by what we all believe and value.

Your Teams

- You will be part of the middle school team (5-8) consisting of an Assistant Principal, a Student Support Specialist, other Lead Teachers, Intervention Teachers, Special Education Teachers, and Spanish Teachers.
